

VIBRANT NEWMOR WALL-COVERING - CARE AND MAINTENANCE

You can protect your Vibrant Newmor- wall covering by following these easy guidelines.

1. While Newmor wall coverings are often water-resistant, avoid soaking them. Use a slightly damp cloth rather than saturating the surface.
2. For tough stains, gently blot the area with a damp cloth and a mild detergent. Test on a small, inconspicuous area first.
3. While Newmor wall coverings are often water-resistant, avoid soaking them. Use a slightly damp cloth rather than saturating the surface.
4. Use coasters or mats under decorative items to avoid marks.

DO

- Gently sponge with a mild detergent in warm water.
- Always wipe with the seams (usually up and down)
- Dry with a soft, lint-free cloth.

DON'T

- Do not use abrasive cleaners.
- Don't install wall covering on a textured and unclean wall.
